Fund Objective

The Fund aims to achieve long-term capital appreciation by investing indirectly in Bitcoin and Ether through related securities and/or derivatives.

Additionally, the Fund may invest directly or indirectly in companies involved in blockchain technology, digital assets, and related fields, utilizing exchange-traded products (ETPs) and related securities and/or derivatives.

The firm's investment philosophy is to apply real-world discretionary trading strategies to the rigour of a quantitative process focusing on delivering superior risk-adjusted absolute returns.
